Subject Index—Volume 15, 1991

A

Abdomen
planned reoperations and open management in critical intra-abdominal infections: prospective experience in 52 cases (Schein), 537
sequential abdominal reexploration with the zipper technique (Cuesta et al.), 74

Acetylsalicylic Acid
effect of acetylsalicylic acid on the outcome after lower limb arterial surgery with special reference to cigarette smoking (Lassila et al.), 378

Adenomas
adenomas and hyperplastic polyps in screening studies (Bech et al.), 7
diagnosis of familial adenomatous polyposis (Bülow), 41
endoscopic treatment of adenomas (Waye), 14
follow-up after polypectomy (Winawer), 25
intervention studies in adenoma patients (Armitage), 29
natural history of adenomas (Eide), 3
surgical treatment of adenomas (Nicholls), 20
treatment of carcinoma in adenomas (Muto et al.), 35

Amebiasis
fulminant amebic colitis (Aristizábal et al.), 216

Appendicitis
diagnostic challenge of postoperative acute appendicitis (Barr et al.), 526

Ascariasis
surgical complications of ascariasis (Ochoa), 222

B

Body Composition
body composition in Chinese subjects: comparison with data from North America (Jiang et al.), 95

Branched Chain Amino Acids
prospective randomized double-blind trial of branched chain amino acid enriched versus standard parenteral nutrition solutions in traumatized and septic patients (Vente et al.), 128

C

Cecal Diverticulitis
cecal diverticulitis: a continuing diagnostic dilemma (Schmit et al.), 367

Cervicothoracic Arterial Injuries
cervicothoracic arterial injuries: recommendations for diagnosis and management (George et al.), 134

Chagas Disease
surgery of chagasic megacolon (Cutait and Cutait), 188
surgical complications of Chagas' disease: megaesophagus, achalasia of the pylorus, and cholelithiasis (Pinotti et al.), 198

Chemotherapy
adjuvant therapy for colorectal carcinoma (Metzger), 576
perspective on clinical research strategies in carcinoma of the large bowel (Sugarbaker), 609
prevention and management of recurrent rectal cancer (Beart), 589

Cholangitis
recurrent pyogenic cholangitis: current management (Fan et al.), 248

Cholelithiasis
surgical complications of Chagas' disease: megaesophagus, achalasia of the pylorus, and cholelithiasis (Pinotti et al.), 198

Colon
fulminant amebic colitis (Aristizábal et al.), 216
management of acute volvulus of the sigmoid colon: a new approach by percutaneous deflation and colopexy (Salim), 68
postcolectomy syndromes (Schoetz), 605
surgery of chagasic megacolon (Cutait and Cutait), 188

Colonoscopy
adenomas and hyperplastic polyps in screening studies (Bech et al.), 7
endoscopic treatment of adenomas (Waye), 14

Colopexy
management of acute volvulus of the sigmoid colon: a new approach by percutaneous deflation and colopexy (Salim), 68

Colorectal Carcinoma
accuracy of intraoperative ultrasonography in diagnosing liver metastasis from colorectal cancer: evaluation with postoperative follow-up results (Machi et al.), 551
adjuvant therapy for colorectal carcinoma (Metzger), 576
cost-effective management of colon and rectal cancer (Heine and Rothenberger), 597
epidemiology of large bowel cancer (Levin and Dozois), 562
follow-up after polypectomy (Winawer), 25
follow-up plans after treatment of primary colon and rectum cancer (Steele), 583
intervention studies in adenoma patients (Armitage), 29
monoclonal antibodies in imaging and therapy of colorectal cancer (Lange and Martin), 617
natural history of adenomas (Eide), 3
perspective on clinical research strategies in carcinoma of the large bowel (Sugarbaker), 609
primary therapy of carcinoma of the large bowel (Fazio and Tjandra), 568
principles of surgical technique in the treatment of carcinoma of the large bowel (Corman), 592
resection of synchronous liver metastases from colorectal cancer (Vogt et al.), 62
treatment of carcinoma in adenomas (Muto et al.), 35

Colorectal Polyps
adenomas and hyperplastic polyps in screening studies (Bech et al.), 7
diagnosis of familial adenomatous polyposis (Bülow), 41
endoscopic treatment of adenomas (Waye), 14
follow-up after polypectomy (Winawer), 25
natural history of adenomas (Eide), 3
surgical treatment of adenomas (Nicholls), 14
treatment of carcinoma in adenomas (Muto et al.), 35

Cost Management
cost-effective management of colon and rectal cancer (Heine and Rothenberger), 597
to trim or replant: a matter of cost (Engel et al.), 486

D

Diet
intervention studies in adenoma patients (Armitage), 29

Distal Splenorenal Shunt
should both schistosomal and non-schistosomal variceal bleeders be disconnected? (Abu-Elmagd et al.), 389

Duodenal Ulcer
change of gastric liquid emptying after highly selective vagotomy and pyloric dilatation for patients with obstructing duodenal ulcer (Wang et al.), 286

E

Encephalopathy
surgical treatment of severe post-shunt hepatic encephalopathy (Dagenais et al.), 109

Endoscopic Fibrin Pleurodesis
complicated pneumothorax: short- and long-term results of endo-

scopic fibrin pleurodesis (Hauck et al.), 146
Endoscopy
endoscopic treatment of adenomas (Waye), 14
falls in hemoglobin saturation during ERCP and upper gastrointestinal endoscopy (Al-Hadeedi and Leaper), 88
Epidemiology
epidemiology of large bowel cancer (Levin and Dozois), 562
Esophagus
bleeding esophageal varices associated with pancreatic arteriovenous malformation (Katoh et al.), 57
esophageal resection and by-pass: a 6 year experience with a low postoperative mortality (Collard et al.), 635
gastric antral patch esophagoplasty for extensive corrosive stricture of the esophagus (Hugh et al.), 299
lower esophageal sphincter characteristics and esophageal acid exposure following partial or 360° fundoplication: results of a prospective, randomized, clinical study (Lundell et al.), 115

F
Familial Adenomatous Polyposis
choice of operation in familial adenomatous polyposis (Jagelman), 47
diagnosis of familial adenomatous polyposis (Bülow), 41
Foreign Body Ingestion
foreign body ingestion: management of 167 cases (Barros et al.), 783
Fundoplication
lower esophageal sphincter characteristics and esophageal acid exposure following partial or 360° fundoplication: results of a prospective, randomized, clinical study (Lundell et al.), 115

G
Gallbladder
electrohydraulic extracorporeal nonwater bath shock wave lithotripsy of gallstones: two years' experience (Frick et al.), 623
Gallbladder Carcinoma
impact of recent advances in hepatobiliary imaging techniques on the preoperative diagnosis of carcinoma of the gallbladder (Chijiiwa et al.), 322
intraoperative radiation therapy for carcinoma of the gallbladder (Busse et al.), 352
palliative operative procedures for carcinoma of the gallbladder (Jones), 348
pathology of carcinoma of the gallbladder (Sumiyoshi et al.), 315
radical operations for carcinoma of the gallbladder: present status in Japan (Ogura et al.), 337
radical operations for carcinoma of the gallbladder: present status in Germany (Gall et al.), 328
radical operations for carcinoma of the gallbladder: present status in North America (Gagner and Rossi), 344
resection combined with intraoperative radiation therapy (IORT) for stage IV (TNM) gallbladder carcinoma (Todoroki et al.), 357
Gastric Anastomosis
single-layer continuous suture for gastric anastomosis (Demartines et al.), 522
Gastric Antral Patch Esophagoplasty
gastric antral patch esophagoplasty for extensive corrosive stricture of the esophagus (Hugh et al.), 299
Gastric Carcinoma
cytogenetic studies in patients with gastric cancer (Abarbanel et al.), 778
epidemiology of gastric cancer (Correa), 228
hyperthermo-chemotherapy combined with cytoreductive surgery for the treatment of gastric cancer with peritoneal dissemination (Yonemura et al.), 530
indications for pylorus preserving gastrectomy for early gastric cancer located in the middle third of the stomach (Kodama and Koyama), 628
prognosis in gastric cancer associated with pregnancy (Ueo et al.), 293
scintigraphic detection of gastric and pancreatic carcinomas with In-111 ZCE 025 monoclonal antibody (Abdel-Nabi et al.), 122
surgery for gastric carcinoma is feasible for patients over 80 years of age (Korenaga et al.), 642
Gastric Liquid Emptying
change of gastric liquid emptying after highly selective vagotomy and pyloric dilatation for patients with obstructing duodenal ulcer (Wang et al.), 286
Gastrointestinal Leiomyosarcoma
prognostic factors in primary gastrointestinal leiomyosarcoma: a retrospective study (Kimura et al.), 771
Gastrointestinal Polyps
other gastrointestinal polyps (Järvinen), 50
Goiter
endemic goiter and endemic thyroid disorders (Gaitan et al.), 205

H
Hand
advances in peripheral nerve repair in emergency surgery of the hand (Berger and Mailänder), 493
classification and evaluation of the functional results of replanted parts of the hand at the Prince of Wales Hospital and Prince of Wales Children's Hospital: 1984 to 1988 (Milroy et al.), 446
contributions of microvascular surgery to emergency hand surgery (Buncke et al.), 418
emergence of hand surgery (Rank), 414
emergency repair and reconstruction in the severely crushed hand (De et al.), 470
interposed muscle grafts in nerve repair in the hand: an experimental basis for future clinical use (Glasby), 501
primary flexor tendon repair: surgical techniques based on the anatomy and biology of the flexor tendon system (Tonkin), 452
reconstruction of the thumb and digit by toe to hand transplantation (Chen and Chen), 429
replantation surgery (Feller and Biemer), 477
surgical opportunism in emergency hand surgery (Morrison and O'Brien), 439
to trim or replant: a matter of cost (Engel et al.), 486
use of flaps in the treatment of fingertip injuries (Foucher et al.), 458
Hemoglobin
falls in hemoglobin saturation during ERCP and upper gastrointestinal endoscopy (Al-Hadeedi and Leaper), 88
Hepatectomy
hepatectomy for large hepatocellular carcinoma: the optimal resection margin (Lai et al.), 141
surgical treatment of hepatocellular carcinoma: experience with liver resection and transplantation in 198 patients (Ringe et al.), 270
Hepatobiliary Imaging Techniques
impact of recent advances in hepatobiliary imaging techniques on the preoperative diagnosis of carcinoma of the gallbladder (Chijiiwa et al.), 322
Hepatocellular Carcinoma
hepatectomy for large hepatocellular carcinoma: the optimal resection margin (Lai et al.), 141
hepatic resection for small hepatocellular carcinoma: the Queen Mary

Hospital experience (Lai et al.), 654
surgical treatment of hepatocellular carcinoma: experience with liver resection and transplantation in 198 patients (Ringe et al.), 270

Hernia
new technique of "Marlex-peritoneal sandwich" in the repair of large incisional hernias (Matapurkar et al.), 768

Hydatidosis
results of surgical treatment of hepatic hydatidosis: current therapeutic modifications (González et al.), 254

Hypercalcemia
asymptomatic primary hyperparathyroidism (Harrison and Wheeler), 724
diagnosis and treatment of patients with parathyroid carcinoma: an update and review (Obara and Fujimoto), 738
management of hyperparathyroid patients with grave hypercalcemia (Tisell et al.), 730
primary hyperparathyroidism: epidemiology, diagnosis and clinical picture (Ljunghall et al.), 681

Hyperparathyroidism
asymptomatic primary hyperparathyroidism (Harrison and Wheeler), 724
cellular physiology and pathophysiology of the parathyroid gland (Åkerström et al.), 672
diagnosis and treatment of patients with parathyroid carcinoma: an update and review (Obara and Fujimoto), 738
influence of surgery on the risk of death in patients with primary hyperparathyroidism (Hedbäck et al.), 399
management of hyperparathyroid patients with grave hypercalcemia (Tisell et al.), 730
management of patients with persistent or recurrent primary hyperparathyroidism (Carty and Norton), 716
management of primary hyperparathyroidism caused by multiple gland disease (Goretzki et al.). 693
primary hyperparathyroidism: epidemiology, diagnosis and clinical picture (Ljunghall et al.), 681
role of the pathologist in diagnosis and surgical decision making in hyperparathyroidism (Grimelius et al.), 698
secondary hyperparathyroidism: diagnosis of site of recurrence (Casanova et al.), 546
subtotal parathyroidectomy versus total parathyroidectomy and autotransplantation in secondary hyperparathyroidism: a randomized trial (Rothmund et al.), 745
surgical treatment of primary hyperparathyroidism: an institutional perspective (van Heerden and Grant), 688

Hyperthyroidism
endemic goiter and endemic thyroid disorders (Gaitan et al.), 205

Hypoparathyroidism
replantation of cryopreserved human parathyroid tissue (Wagner et al.), 751

I

Ileum
complications associated with ileal pouch-anal anastomosis (McMullen et al.), 763
surgical complications of typhoid fever: enteric perforation (Santillana), 170

Intraoperative Radiation Therapy
intraoperative radiation therapy for carcinoma of the gallbladder (Busse et al.), 352
resection combined with intraoperative radiation therapy (IORT) for stage IV (TNM) gallbladder carcinoma (Todoroki et al.), 357

J

Jejunoileal Tumors
primary jejunoileal tumors: a review of 45 cases (Desa et al.), 81

K

L

Large Bowel Carcinoma
epidemiology of large bowel cancer (Levin and Dozois), 562
perspective on clinical research strategies in carcinoma of the large bowel (Sugarbaker), 609
primary therapy of carcinoma of the large bowel (Fazio and Tjandra), 568
principles of surgical technique in the treatment of carcinoma of the large bowel (Corman), 592

Lithotripsy
electrohydraulic extracorporeal nonwater bath shock wave lithotripsy of gallstones: two years' experience (Frick et al.), 623

Liver
accuracy of intraoperative ultrasonography in diagnosing liver metastasis from colorectal cancer: evaluation with postoperative follow-up results (Machi et al.), 551
auxiliary partial orthotopic liver transplantation (APOLT) for fulminant hepatic failure: first successful case report (Gubernatis et al.), 660
hepatic abscess (Donovan et al.), 162
hepatic resection for small hepatocellular carcinoma: the Queen Mary Hospital experience (Lai et al.), 654
pathology of carcinoma of the gallbladder (Sumiyoshi et al.), 315
portal hypertension in mansonic schistosomiasis (Raia et al.), 176
pyogenic liver abscess: multivariate analysis of risk factors (Lee et al.), 372
radical operations for carcinoma of the gallbladder: present status in Germany (Gall et al.), 328
recurrent pyogenic cholangitis: current management (Fan et al.), 248
resection of synchronous liver metastases from colorectal cancer (Vogt et al.), 62
results of surgical treatment of hepatic hydatidosis: current therapeutic modifications (González et al.), 254
surgical treatment of hepatocellular carcinoma: experience with liver resection and transplantation in 198 patients (Ringe et al.), 270

M

Mansonic Schistosomiasis
portal hypertension in mansonic schistosomiasis (Raia et al.), 176

Megacolon
surgery of chagasic megacolon (Cutait and Cutait), 188

Megaesophagus
surgical complications of Chagas' disease: megaesophagus, achalasia of the pylorus, and cholelithiasis (Pinotti et al.), 198

Microvascular Surgery
advances in peripheral nerve repair in emergency surgery of the hand (Berger and Mailänder), 493
contributions of microvascular surgery to emergency hand surgery (Buncke et al.), 418
reconstruction of the thumb and digit by toe to hand transplantation (Chen and Chen), 429
replantation surgery (Feller and Biemer), 477
surgical opportunism in emergency hand surgery (Morrison and O'Brien), 439

Monoclonal Antibodies
monoclonal antibodies in imaging and therapy of colorectal cancer (Lange and Martin), 617

Multiple Endocrine Neoplasia
molecular biology or parathyroid disease (Backdahl et al.), 756

unresolved surgical issues in the management of patients with Zollinger-Ellison syndrome (Norton and Jensen), 151

N

Necrotizing Fasciitis
necrotizing lesions of soft tissues: a review (Patiño and Castro), 235
necrotizing soft tissue lesions after a volcanic cataclysm (Patiño et al.), 240

Nerve Repair
advances in peripheral nerve repair in emergency surgery of the hand (Berger and Mailänder), 493
interposed muscle grafts in nerve repair in the hand: an experimental basis for future clinical use (Clasby), 501

O

P

Pancreas
bleeding esophageal varices associated with pancreatic arteriovenous malformation (Katoh et al.), 57
open approach in pancreatic and infected pancreatic necrosis: laparostomies and preplanned revisions (Függer et al.), 516

Pancreatic Carcinoma
scintigraphic detection of gastric and pancreatic carcinomas with In-111 ZCE 025 monoclonal antibody (Abdel-Nabi et al.), 122

Pancreatitis
major hemorrhage from pseudocysts and pseudoaneurysms caused by chronic pancreatitis: surgical therapy (Bresler et al.), 649
open approach in pancreatic and infected pancreatic necrosis: laparostomies and preplanned revisions (Függer et al.), 516
retroperitoneal drainage in the management of the septic phase of severe acute pancreatitis (Villazón et al.), 103
sequential abdominal reexploration with the zipper technique (Cuesta et al.), 74

Parathyroid Gland
cellular physiology and pathophysiology of the parathyroid gland (Åkerström et al.), 672
diagnosis and treatment of patients with parathyroid carcinoma: an update and review (Obara dna Fujimoto), 738
management of patients with persistent or recurrent primary hyperparathyroidism (Carty and Norton), 716
management of primary hyperparathyroidism caused by multiple gland disease (Goretzki et al.). 693
molecular biology or parathyroid disease (Backdahl et al.), 756
pre-operative localization and interventional treatment of parathyroid tumors: when and how? (Miller), 706
primary hyperparathyroidism: epidemiology, diagnosis and clinical picture (Ljunghall et al.), 681
replantation of cryopreserved human parathyroid tissue (Wagner et al.)., 751
role of the pathologist in diagnosis and surgical decision making in hyperparathyroidism (Grimelius et al.), 698
subtotal parathyroidectomy versus total parathyroidectomy and autotransplantation in secondary hyperparathyroidism: a randomized trial (Rothmund et al.), 745
surgical treatment of primary hyperparathyroidism: an institutional perspective (van Heerden and Grant), 688

Peripheral Vascular Arterial Disease
effect of acetylsalicylic acid on the outcome after lower limb arterial surgery with special reference to cigarette smoking (Lassila et al.), 378

Peritoneal Dissemination
hyperthermo-chemotherapy combined with cytoreductive surgery for the treatment of gastric cancer with peritoneal dissemination (Yonemura et al.), 530

Pneumothorax
complicated pneumothorax: short- and long-term results of endoscopic fibrin pleurodesis (Hauck et al.), 146

Polypectomy
endoscopic treatment of adenomas (Waye), 14
follow-up after polypectomy (Winawer), 35
treatment of carcinoma in adenomas (Muto et al.), 35

Portal Hypertension
portal hypertension in mansonic schistosomiasis (Raia et al.), 176
should both schistosomal and non-schistosomal variceal bleeders be disconnected? (Abu-Elmagd et al.), 389

Pregnancy
prognosis in gastric cancer associated with pregnancy (Ueo et al.), 293

Pulse Oximetry
falls in hemoglobin saturation during ERCP and upper gastrointestinal endoscopy (Al-Hadeedi and Leaper), 88

Pylorus
indications for pylorus preserving gastrectomy for early gastric cancer located in the middle third of the stomach (Kodama and Koyama), 628
